Kenya Pipeline Company

P.O Box 73442 – 00200 - Nairobi

RE: APPLICATION FOR INDUSTRIAL ATTACHMENT

Dear Sir/Madam,

I am writing to apply for an industrial attachment opportunity at Kenya Pipeline Company. I am currently a third-year student at the University of Nairobi pursuing a Bachelor of Science in Industrial Chemistry. As part of my academic program, I am required to undertake industrial attachment in order to gain practical experience and exposure to real-world industrial processes.

I am particularly interested in Kenya Pipeline Company because of its key role in Kenya's energy sector and its strong commitment to operational excellence and technological advancement. I believe that attachment at your organization would provide me with valuable hands-on experience in laboratory analysis, quality control, and industrial chemical processes, which are essential areas in my field of study.

I am a hardworking, disciplined, and highly motivated student who is eager to learn and develop professional skills. I would greatly appreciate the opportunity to contribute to and learn from your team while applying the knowledge I have acquired during my studies.

I have attached my curriculum vitae and introduction letter from the university for your consideration. I would be grateful for the opportunity to undertake my industrial attachment at your organization.

Thank you for your time and consideration. I look forward to your positive response.

Yours faithfully,

Emmanuel Macharia
